

Motion n Dance

Dancers

Become part of history at Motion n Dance; submit a short essay about yourself. It does not have to be typed or even spelled correctly. We are looking to hear your story, in your own words.

- Who are you?
- What's life like in your shoes?
- What makes you want to dance?
- Who or what inspires you and why?
- What would you like to be?
- What have you learned from dancing?
- What does "Fame" mean to you?

These are just some ideas for topics, but you can write about anything. This years' recital is about you and your stories. So help us out by telling them.

Deadline for submissions is March 1st. Turn it in at the office as soon as possible, we will keep it confidential. We will use selections of the essays in this years recital.
